## **Introduction**

The Golf Club was formed as West Bromwich Golf Club in 1895 and moved to Sandwell Park at Christmas 1897, on land owned by the Earl of Dartmouth. In 1946 the Club purchased the land from the Earl and since that time it has continued to develop. The Old Clubhouse was demolished in the early 1990's and a superb modern one built which is second to none. It is now in the enviable position of being one of the leading clubs in the West Midlands.

The Club is located on the edge of Sandwell Valley, an area of green belt in the heart of the West Midlands which sits on the border of Birmingham, West Bromwich and Walsall. It is located 100 metres from Junction 1 of the M5 motorway and 3 miles from Birmingham City Centre. The Hawthorns, home of West Bromwich Albion Football Club, is located 500 metres away.

In the tradition of the Golf Course we offer quality with our Dining and Function facilities to help your day be memorable. Whether you choose a small intimate celebration or a larger celebration, Sandwell Park will be sure to make your day one you will always remember.
