# *Introduction*

Coming to terms with the loss of a loved one is something we all experience at some stage of our lives. As well as coping with the grief, there is the additional burden of arranging refreshments for family and friends at short notice.

We are here to help organise the wake with sensitivity and kindness. Leave it to us and we will endeavour to provide a fitting occasion to ensure that your loved one will be remembered with dignity.

We pride ourselves on providing a professional service, our Lounge area can accommodate up to 100 guests, which overlooks our picturesque golf course. The lounge has access to the patio area with outside seating.

We aim to provide a stress free reception or wake ensuring you have private time with friends and relatives.

Our Catering team will provide a professional service, we have different menu options that you can choose from, each menu is tailored to your individual requirements.

Situated yards from the junction 1 of the M5 we are minutes away from Newton Road Crematorium and Handsworth Cemetery and easily accessible from Perry Barr and Streetly crematoriums which makes us an ideal Venue.
